History: The Chaplains Religious Enrichment Development Operation CREDO is sponsored by the Chief of Naval Operations through the Chief of Navy Chaplains. CREDO is also Latin for I believe. The program originally began in 1971 and was titled the Chaplain Response of the Emerging Drug Order. Over time, it adopted its current name and shifted focus to caring and development of Sailors and their families through various programs, workshops and training. There are now 9 CREDO programs throughout the world serving both Navy and Marine Corps members and their families.

CREDO Northeast Mission: To promote the spiritual, personal and professional development of U.S. Military members and their families throughout the New England Region. We accomplish this mission by organizing and conducting training events and workshops for personal and spiritual development and family growth. Our programs include Personal Growth Retreat (PGR); Marriage Enrichment Retreat (MER) and Spiritual Growth Retreat (SGR). We also provide several focused workshops for single members, Women's Retreats, Men's Retreats and provide Team Building training as requested using the Myers Briggs Type Indicator (MBTI).

INFO: We are located in Building 84, room 103 on board Submarine Base New London CT. Our phone number is 860-694-1144.
